 Total Amount: 25.00 €

Comments:

[Confirm the payment method](#)

6. Select "CREDIT CARD", and click on "Confirm payment method".

7. Follow the instructions of the virtual POS of your bank.

Make sure that the card you are using is registered with your bank's secure commerce service and that you can use it for online payments.

If at any time the system asks you for a password or code, it refers to some security control by your bank, does not refer to any code or code that we have to provide from the organization of the conference.

Kind regards.

Scientific Committee and Panel
